

Ecumen has another
“Top Workplaces” honor to add to our
growing list of workplace honors:

As first-timers on this list (which is only in its second year), Ecumen was ranked 11th of the 25 Top Large Companies!

The Star Tribune “Top Workplaces” recognizes the most progressive companies in Minnesota based on employee opinions about:

- ◆Company leadership
- ◆Communication
- ◆Career opportunities
- ◆Workplace environment
- ◆Managerial skills
- ◆Pay and benefits

More than 1,200 companies were invited to participate in the opportunity. Thanks to you, our fantastic employees who pushed Ecumen over the top and onto this esteemed list!

Congratulations Everyone!
